CGPA | **3.55** / 4.0

EXPERIENCE

Senior Software Engineer, Front-End   12/2021 - Present

Shikho Technologies Bangladesh Ltd   Dhaka, Bangladesh

Shikho is a top Bangladeshi edtech startup, transforming education with a localized digital learning system for all levels and professions.

- With my team, developed and maintained 3 high-traffic websites, > 1M quarterly unique users on each of them
- Assisted the junior developers with the design, development, deployment, and maintenance of all in-house products
- Stayed up to date on what needed to be updated in response to new release versions by adhering to the documentation
- Saved BDT 1 million per year in operating costs by integrating third-party tools that provide the functionality to integrate app analytics and marketing
- Collaborated with UX designers to implement user-friendly interfaces that improved user engagement & conversion rates and drove millions of additional revenue

Software Engineer, Front-End   03/2021 - 11/2021

Misfit Technologies Ltd   Dhaka, Bangladesh

A Singapore-based Design, Innovation, and Technology company operating in Myanmar, Bangladesh, USA, & Thailand since 2017, providing software solutions.

- Implemented a new responsive and mobile-first approach which increased mobile traffic by 25%
- Enhanced adherence to company guidelines by enforcing web development standards, resulting in a 20% reduction in code review discrepancies
- Communicated with back-end developers for any front-end problematic issues

Junior Software Engineer   06/2019 - 03/2021

Workspace InfoTech Ltd   Dhaka, Bangladesh

Offers global IT services in software solutions, graphics design, web development, and hosting. Trusted for quality with experienced leadership.

- Completed training projects utilizing Node.js and React to create industry-standard web applications
- Performed testing, installation, configuration, and troubleshooting of various software programs
- Developed 200+ SQL queries in MySQL and MongoDB
- Contributed to the development of 20+ websites
